loader

No-Load Alarm

The first time this alarm goes off it can save you downtime and mold damage. If you do not get material after 10 seconds it sounds the alarm.

Unload your grinder and de-dust at the same time!

Special lids
and stands for
loading floor
hoppers, drums
and gaylords.

Do you know
that most sprue
grinders require
only 4 minutes
of compressed
air per hour for
unloading?

CAD Loaders Remove fines

Amazing Quality Great Price!

It will be hard to compare a CA6 to any competitor because we offer so many standard features and options. Our competitors cannot match our features at any price.

You can compare our price. You will be surprised how competitive we are. When it comes to value there is no comparison.
